

CERTIFICATE OF REGISTRATION

The management system of certificate number 272275

Target Professional Services

3 & 4 Sherrington Mew, Ellis Square, Selsey, Chichester, West Sussex, PO20 0FJ, United Kingdom

has been assessed and certified as meeting the requirements of:

ISO/IEC 27701:2019

The scope of the Privacy Information Management System encompasses all listed functional areas within Target Professional operations. We provide our services to our customers with a culture of privacy of information at the core of all activities, ensuring compliance with our documented management system on SOURCE. This includes the processing of personally identifiable information (PII) in the capacity of a PII processor, in accordance with client instructions and applicable data protection requirements. The boundaries of this management system are our defined sites and countries of operation, as detailed in the IMS Scope document.

Further clarifications regarding the scope of this certificate and the applicability of requirements may be obtained by consulting the certifier.

8289

Valid from:
